Madison County Schools Mission

The students of Madison County Schools will have meaningful experiences and valuable academic preparation to ensure a brighter future.

Commissioners to Visit Schools: On March 19, 2019 at 8:00 am, the Madison County Board of Education will meet in a joint meeting with the Board of Commissioners to tour school buildings. The meeting will begin at Central Support Services, and from there the two Boards will visit the following sites: Brush Creek Elementary School, Madison Middle School, Madison High School, and Madison Early College High School. No action will be taken at this meeting.

MMS Team Takes 1st Place: Congratulations to Madison Middle School's FFA Parliamentary Procedure Team! They competed at the FFA State Rally on Friday, March 8, 2019 and won first place in the state. Team members are: Joshua Gray, President; James Smith, Vice President; Elizabeth Griffin, Sentinel; Kaylee Campagna, Reporter; Jozlyn Mathews, Treasurer; and Jennifer

Blankenship, Secretary. The team is led by Anna Young, Robin Huey, and Chad Ayers.

Student Named Scholarship Finalist: Congratulations to Trevor McDonald who has been selected as one of the five finalists for the Irving Reuter Scholarship through CFWNC. The Irving Jacob Reuter Award Program is an honorary award accompanied by a scholarship through The Janirve Foundation. Applicants must exhibit superior academics, leadership and community service. We also want to thank Trevor for his assistance in rewriting our CEU database.

MHS Career Fair 2018-2019: Madison High School held the annual Career Fair on March 14, 2019. Over 60 exhibitors and over 500 students participated. Some exhibitors were hiring but all were giving out career information. The Career Fair was a big success for exhibitors and students alike. We appreciate all who assisted in making this Career Fair a success!

Upgrades to Follett Library System: Our Technology Department has been working with our Media Coordinators to upgrade all our schools' Follett Library Management System. Everyone is now utilizing Follett's cloud-based system. This will allow the Media Centers to be continuously updated.

School Health Advisory Council Meets: Madison County Schools Student Health Advisory Council (SHAC) met today. Representatives from multiple agencies had rich discussion revolving around student needs in areas such as vaping/juuling, mental health, nutrition, and physical well-being. Our school nurses and health department also gave updates. We look forward to listening to our "MP3" Action

Team of students that are going to present at our Thursday night school board meeting.
