Employee Health and Safety Top Priority: The health and safety of our employees and students is our top priority, more now than ever. If any employee feels uncomfortable reporting to work, they are welcome to speak with their supervisor and we will do our best to meet their individual needs. To that end, we want to thank all of our employees for the amazing job they have done this week. Whether preparing remote learning platforms, making and delivering student meals, or keeping up our continuity of operations, our employees have pulled together to ensure our students' needs are met.

Madison County Schools

Mission

The students of Madison County Schools will have meaningful experiences and valuable academic preparation to ensure a brighter future.
