

Dr. Will Hoffman, Superintendent

April 26, 2019

IN THIS ISSUE:

- Great Madison County Litter Sweep
- High School Student Signs with MHU
- Reinforcing Science Standards
- Brush Creek BOB Goes to Regionals
- Middle School Parent Makes Donation

Great Madison County Litter Sweep: The MCS Board of Education team participated in the *Great Madison County Litter Sweep* contest on April 13th. They collected 23 bags of garbage and 1 bag of recyclables on Bull Creek Road. The school system is dedicated to being part of the solution and not the pollution! We appreciate the example the team set for our school system.

DATES TO REMEMBER:

04/29/19	Board Meeting	Central SS
	Closed	5:00 PM
	Work	5:30 PM
	Open	6:00 PM

High School Student Signs With MHU: Huge congratulations to Hannah Chandler who has signed to play basketball at Mars Hill University! Hannah finished her high school career with 1,194 total points and too many other stats to list! Patriot Proud! We commend her accomplishments and wish her great success in her future endeavors.

Attachments:

Reinforcing Science Standards: Mars Hill Elementary fifth grade students attended an overnight field trip to Doe River Gorge in Hampton, TN. While there, they participated in activities that reinforced the science standards, built teamwork and friendships. Some of the activities included

investigating decomposers in the forest, finding invertebrates in the creek, exploring rescued animals, honing observation skills in the forest, rope climbing tall trees, and team building challenges. Students loved the activities, the camping in cabins, and the free time playing new games.

BCE Battle of the Books: Brush Creek's Battle of the Books team traveled to Haywood County on Thursday for the Regional Elementary Battle of the Books competition. We are very proud of our students' hard work and their performance in the competition! A big thank you to our Battle of the Books Coaches, Mrs. Roslyn Carney and Ms. Whitney Wilde, for the dedication and service to this team this year.

MMS Parent Makes Donation: A Madison Middle School parent, Pat Foxx, made a donation to the school and community this week. Mr. Foxx owns his trucking company and was able to donate over 1,500 gallons of milk to Madison Middle School and community. It is very helpful when the community is supported in efforts like this. Everyone was grateful for the donation as they lined up to pick it up.

NC Roadmap of Need: The Roadmap of Need produced yearly by the NC Public School Forum. The Roadmap provides rankings of all NC counties in the areas of Health, Youth Behavior and Safety, Education and Economic Development. For example, using factors such as teen pregnancy, child fatality, childhood obesity, number of physicians and child food insecurity Madison County ranked 66 in the health rankings. This whole child needs assessment is critical for us in understanding what each child needs to have in order to thrive in school and in life. https://www.ncforum.org/wp-content/uploads/2019/04/2019_Roadmap_FINAL.pdf

Madison County Schools Mission

The students of Madison County Schools will have meaningful experiences and valuable academic preparation to ensure a brighter future.
