- West FFA Regional Rally Results

Madison County Schools Mission

The students of Madison County Schools will have meaningful experiences and valuable academic preparation to ensure a brighter future.

2019-20 MHS Principal Named: The Madison County Board of Education unanimously approved Dr. David Robinson as the 2019-20 principal of Madison High School. Members of the selection committee said: "Dr. Robinson is the perfect fit for where we want to take Madison High School," and "His story is a Madison High School story." Dr. Robinson brings nine years of high school administrative experience to our district. Before entering the education field as a mathematics teacher and coach, Dr. Robinson worked as an Industrial Maintenance Engineer in the private sector. He was selected as the Madison County Schools Principal of the Year in 2014, and the Asheville City Schools Principal of the Year in 2017. Please join me in welcoming Dr. Robinson back to Madison County Schools and Madison High School.

West FFA Regional Rally: Madison FFA had an incredible day at the West FFA Regional Rally on May 1, 2019. These opportunities for our students to excel could not be provided without the collaboration and

effort from all who support them. Your contributions to Madison FFA is greatly appreciated. See the attached email for rally results. Congratulations to the Madison Middle School Parliamentary Procedure Team who placed 1st in the Junior Division at the West Region FFA Rally on Wednesday, May 1st at Blue Ridge Community College. Team members are Jennifer Blankenship, Kaylee Campagna, Joshua Gray, Elizabeth Griffin, Jozlyn Mathews, and James Smith.

New Alternative Learning Program Facility: The new ALP facility is moving along. Building plans include three full-sized classrooms, a multipurpose area, restrooms, storage and a meeting spot. Current ALP facilities will be used for storage after completion of the new building.

MMS Lady Patriots Win Semi-Finals: MMS Lady Patriots rallied from behind last night against Macon to win 10-6 in the semifinals. They now advance to the championship game on Monday against Rugby. The game will begin at 4:30 at Rugby. These girls have worked very hard, as a young team, to achieve a record of 9-3 conference and 2-0 conference tournament play. We are very proud of our young athletes!

Kindergarten Registration Complete: Madison County Schools completed Kindergarten registration this week for the 2019-20 school year. Approximately 152 students are signed up and ready for school. We would like to thank our wonderful teachers, administrators and staff for their efforts during this process. We will be facing legislative mandates that require our student numbers per K-3 classroom to stay within ratios predetermined by the state. Our system is diligently working with county commissioners to appropriate funding needed to ensure guidelines are met. We look forward to seeing our new students in the fall! If you missed screening please contact us at (828) 649-9276 and we will help you get scheduled.
