School Nutrition Director Receives Recognition: We received a letter of congratulations from the NC Department of Agriculture congratulating our School Nutrition Director, Leanne Merrill. Ms. Merrill utilized 100% of the program's federal entitlement funds allocated to our school system in the National School Lunch Program. We appreciate all that Ms. Merrill has done to ensure our students are receiving the best nutrition through our School Nutrition Program. Attached is a copy of the letter from Gary Gay at the NCDA, Food Distribution Director.

NC 4-H Livestock Competition: Congratulations to Madison High School FFA members Abigail Young, Makendal Lusk and Roscoe Reeves on their success at the North Carolina State 4-H Livestock Competitions! They are members of the Buncombe County 4-H livestock program which earned numerous awards at the contests. Roscoe was 7th in goat judging and on the Evaluation team that was first in state. Abigail and Makendal were both on the State Champion team

that won the Overall Livestock Judging competition! Their team placed 3rd, in cattle, 3rd in swine, and 1st in sheep as a team. Abigail placed 2nd individually in evaluation. Makendal placed 4th individually overall out of all contestants. Congratulations to these incredible members! Your hard work and determination has paid off!

MMS Walking Track and Turf Projects: Great Progress is being made on the walking track and turf projects at Madison Middle School. These projects will have a huge impact for students, providing them a safe place for walking/running during PE (keeping them from walking around the building) and a better place to have PE and recess during the winter months on the turf. These areas will also be open to the community after regular school hours!

Madison County Schools Mission

The students of Madison County Schools will have meaningful experiences and valuable academic preparation to ensure a brighter future.

Administrators and Principals Attend Training: School Principals and District Administrators attended NCStar training today with representatives from the NC Department of Public Instruction. NCStar is an online template for school improvement planning. School Improvement Teams

will utilize this tool to develop their school's Comprehensive School Improvement Plan moving forward. Principals and District Administrators are Making It Happen in Madison County Schools!

School Supply Collections Underway: We are once again working with the Madison County Sheriff's Department and Ingles in the Tools for Schools drive. This year, the Marshall Ingles drive will be held on August 7, 2019 from 7 AM – 7 PM. The Sheriff's Department is also working with Calvary Worship Center in a "Back to School Blowout." Please see the attached flyer.
