Madison County Schools

Mission

The students of Madison County Schools will have meaningful experiences and valuable academic preparation to ensure a brighter future.

Leadership Team Meets: Madison County Schools K - 5 Leadership Team met on Thursday. Our leadership team consists of Mrs. Susan Jackson (Principal HSES), Mrs. Kristi Dillon (Principal BCES), Mr. Daniel Metcalf (Principal MHES), Mrs. Monica Ponder (Instructional Improvement Coach), Mrs. Robin Frisby (Instructional Coach BCES), Mrs. Stephanie Cody, (Instructional Coach MHES), and Ms. Lisa

Gahagan (Assistant Superintendent). Items that were discussed included: Title 1, Istation implementation, Curriculum, and Staff Development. Ms. Gahagan stated, "This is one of the best instructional leadership teams in our state. I am looking forward to the great things we are going to do this school year!"

New Turf Installed at MMS: We are excited to report that Madison Middle School students are enjoying the new turf in the front quad of the school. It provides a safe, mud free and dry place to have PE classes and recess. It is even great to use after a morning rain that would have previously kept kids inside.

MHS Culinary Program In Operation: The new culinary program at Madison High School is up and running. The lab will be completely finished in the next week or so. However, students have already been introduced to the new workspace and are looking forward to beginning work on the industry and workforce development credentials that will be available.

MHS Students Prepare for Broiler Show: Students enrolled in agriculture education courses at Madison High School are starting the school year by raising roughly 50 broiler chicks to be shown at the Mountain State Fair on September 14th, 2019 as a part of the Youth Market Broiler Show. The purpose of the broiler project is the give students hands-on learning experiences with animals, while also providing research data for the North Carolina Department of Agriculture and supplying the local Asheville food kitchens with non-medicated poultry meat.

Supporting Our Patriots: Madison Middle School and Madison Early College/Madison High School have started all fall sports. Please come out and support our Patriot athletes this coming week. Schedules can be found on the school websites. We are Patriot Proud!
