

Superintendent's Report

Dr. Will Hoffman, Superintendent

October 1, 2021

IN THIS ISSUE:

- National Custodian Appreciation Day
- Board of Education Meeting
- Certificate of Excellence Award
- Positive Behavior Recognition
- Professional Development Training

National Custodian Appreciation Day: October 2nd is National Custodian Appreciation Day. We are grateful for our custodial staff and their dedication to keeping our schools and facilities clean and shining every day! Thank you for Making It Happen and making our schools sparkle and shine!

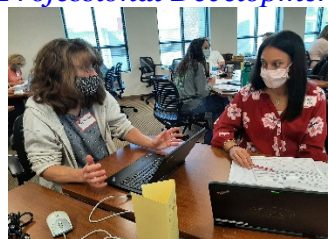

Board of Education Meeting: The Board met in a regular scheduled meeting Monday, September 27th at Madison Early College High School. The Board approved personnel, field trips, and federal programs. The Board also unanimously voted to maintain current COVID-19 protocols, including face-covering requirement for students, staff and visitors during instructional hours. The Board will revisit our safety protocols each month following the provisions of Senate Bill 654. The next regular scheduled meeting will be Monday, October 25th.

Certificate of Excellence Award: I want to congratulate our finance department, and our finance director, Mr. Michael Wallin for receiving the prestigious Certificate of Excellence in Financial Reporting from the Association of School Business Officials. This is the finance department's second award this year for outstanding financial reporting. MCS has an outstanding, service oriented, finance department. We are very pleased that they have received this well-deserved recognition.

Positive Behavior Recognition: Mars Hill Elementary students were nominated by their teachers for exhibiting good character and following the Positive Behavioral Interventions and Supports (PBIS) expectations for the month of September. Congratulations to these students for Making It Happen with positive behavior!

Professional Development Training: Madison Middle School Math Teachers and Instructional Coach participated in professional learning this week at WRESA! Teachers learned strategies for building student confidence in mathematics, providing support to fill learning gaps, and accelerating student learning to grade level and beyond! Teachers will share their learning with colleagues in the building.

DATES TO REMEMBER:

10/25/21	Board Meeting	
	Central Support	
	Closed	5:00 PM
	Work	5:30 PM
	Open	6:00 PM
