Paving Project Complete at Madison Middle School:

The grading and paving project of the roadway leading to and around the ballfield at Madison Middle School has been completed by French Broad Paving. Thank you to French Broad Paving for providing a generous discount by completing this project at cost. The students and families will benefit when using this paved access to and from the ballfield for practices and games.

Treat Bags Provided for Students:

Thank you to Sheriff Harwood and the Madison County Sheriff's Department for providing treat bags for each student! The trick-or-treat at the Sheriff's Department was canceled this year due to the COVID-19 pandemic so they provided the treats to our students! Also thank you to the State Employees Credit Union for the treats they provided as well.

Madison County Schools

Mission

The students of Madison County Schools will have meaningful experiences and valuable academic preparation to ensure a brighter future.

Donation of Water Bottles for Students:

Madison Middle School requested donations of refillable water bottles so the students would have their own bottle. We appreciate the generous donations from the community for our students. Thank you to Recy Coleman Barnette for her donation of 96 water bottles! Thank you for Making It Happen for our students!

Daylight Saving Time Reminder:

Time will fall back 1 hour on November 1, 2020 at 2:00 AM. Remember to set your clocks back an hour on Saturday night. This year the daylight saving time started on March 8th with sunrise and sunset about an hour later allowing for more daylight of the evenings. On November 1st sunrise and sunset will be about an hour earlier allowing more daylight of the mornings.
