Bright Ideas Grants Awarded:

Thank you to French Broad Electric Membership Corporation for the "Bright Ideas" grants awarded to teachers across our district. FBEMC is one of 26 North Carolina electric cooperatives which fund the Bright Ideas Education Grant Program each year. Teachers in public schools located in and near the cooperative's service territory can learn more about this grant and how to apply by visiting their website. A link is provided below. Congratulations to all the teachers receiving this grant!

Exploring Data Collection:

Eighth graders at Madison Middle School worked in teams to explore linear and nonlinear equations while collecting data. In partnership with the NC Science House and Gear Up, Madison Middle School students will be able to participate in math and science lessons that bring real world context and allow students to use various data collection devices. Our students are Making it Happen with data collection!

SHAC Meeting:

The Madison County Student Health Advisory Council (SHAC) had a great meeting virtually Thursday. The council works hard to ensure that our students and staff have policy and procedures in place to keep everyone safe and healthy. The council heard updates and discussed several important items including; safe schools, vaping, attendance policy, child nutrition, physical education and school reports.

Daylight Saving Time:

Daylight saving time (DST) is an annual period of time when the U.S. changes the clocks an hour to make the daylight last longer. This year, daylight saving time ends November 6 at 2 a.m. Remember to set your clocks back one hour before going to bed Saturday night.

One Stop Early Voting:

One Stop Early Voting ends Saturday, November 5th. Polls will close at 3 pm. The general election day is Tuesday, November 8th. This will be an optional teacher work day due to several schools are used as polling sites.

The One Stop Early Voting polling sites are AB Tech Campus Marshall, Beech Glen Community Center and Hot Springs Community Center.
