### Blue Ribbon School Celebration:

Brush Creek Elementary faculty and staff celebrated with a special meal Thursday evening for being named a National Blue Ribbon School. Mrs. Karen Blevins, Board Chair, and Ms. Lisa Gahagan, Assistant Superintendent, helped serve the meal for the staff.

The students celebrated last month with Kona Ice, inflatables and special blue doughnuts! Thank you to this great group of educators for Making It Happen in education for our students!

### Math Teachers Collaborate:

Madison Middle School math teachers, Interventionists, and our Instructional Coach, Monica Ponder, spent a day this week at Western Region Education Service Alliance (WRESA) digging into Powerful Language Routines for Math Classrooms! Teachers learned classroom routines to engage students and deepen understanding!

### Playground Construction Update:

Playground construction continued at Brush Creek Elementary School this week. The installation of the swing equipment was successful with the help of parent volunteers, Madison County Sheriff's Department volunteers and our Maintenance Department. Installation of other structures will continue next week. Hot Springs Elementary and Mars Hill Elementary Schools will receive delivery of their new playground equipment within the next few weeks.

Thank you to all the volunteers for helping with this playground project!
