Staff Salary Supplements: Over the past year, we made a commitment to our staff to increase salary supplements to \$500.00 for classified staff and \$1,000.00 for certified staff. The MCS staff deserves much more than this amount and we will continue to work toward increasing our salary supplement. Each staff member will receive a \$500.00 supplement in the November payroll. Certified staff will receive another \$500.00 supplement in the March payroll. Thank you for Making It Happen on every campus, in every classroom, for every student, every day!

Mock Election at Elementary Schools: Students practiced their civic duty by having a mock election this week at Mars Hill Elementary and Hot Springs Elementary Schools. The students were excited to choose a candidate and cast their ballots in the ballot box. Students also encouraged everyone to go vote on Tuesday, November 3rd in the General Election.

DATES TO REMEMBER:

School Nutrition Staff Dedicated for Students: Our school nutrition staff continues their dedication by packing breakfast bags for every student each morning and food bags for every student to take home at the end of each school day! This is in addition to the hot lunches they prepare and serve during the school day. This is a great example of caring during the pandemic. Thankfully all students will continue to receive free breakfast and lunch for the 2020-2021 school year!

We are fortunate to have such caring and hardworking staff that continues to Make It Happen for our students!
