**Interactive Display Boards:**

The Teacher of the Year at each school receives high quality advanced technology interactive display boards in their classrooms. The boards are a larger version of a tablet computer with a touchscreen for improved collaboration. The users are able to access, manipulate, and interact with content directly on the screen. The teachers and students are excited to use this new advanced technology.

**HOSA Supports Cancer Awareness:**

October is breast cancer awareness month to increase the awareness of the disease. HOSA students supported the annual campaign by working to raise money for our local health department. The group sold 'Pink Out' t-shirts and held a bake sale at the football game. The group raised \$1,000 for women in Madison County. A check was presented to Robin Wallin, RN at the Madison County Health Department. Thank you to the HOSA students and teachers for all your hard work in Making It Happen with cancer awareness.

**FFA Community Service:**

FFA students volunteered their time assisting with meal packaging through the Lord's Harvest in Mars Hill. The students packaged approximately 115 boxes. The boxes will be distributed to our community very soon. Thank you students and teachers for your volunteer service benefiting our community.

**Marching Band Competes:**

The Marching Band received the following awards at the North Davidson competition recently; 2nd place drum major, 2nd place color guard, 2nd place percussion, 2nd place marching and maneuvering, 3rd place music, and 2nd place overall. Congratulations to the marching band students!
