Employee Supplements Issued: The local supplement for permanent full time employees was paid today. Certified employees will receive two installments, the first one today and the second installment will be issued in March. Classified employees will receive one installment. If you are enrolled in direct deposit, you will see a separate deposit from your normal deposit. For those who get a paper check, you will have two checks.

NCDPI Fall 2020 Virtual Recognition: Congratulations to Mr. Jeff Grier, Exceptional Children's Teacher at Mars Hill Elementary School. Jeff is being recognized by the Department of Public Instruction for his outstanding work with students at Mars Hill Elementary School. Dr. Christiaan Ramsey, Director of the Exceptional Children's Program, stated that "We want to thank Jeff for all his hard work with our students at Mars Hill." BarnToBer Fest Annual Fundraiser for Kids: The annual fundraising event took place on October 17th at The Barn at Paint Fork. The proceeds earned from this fundraiser will benefit food programs for children in the local communities. A check was presented to Mrs. Karen Blevins, Chairperson of the Board of Education, on behalf of Madison County Schools in the amount of \$7,500.00. Thank you to Sheriff Buddy Harwood and Eddie Harwood for organizing this annual fundraising event at The Barn at Paint Fork. The proceeds will benefit the food distribution program for our students!

Madison County Schools Mission

The students of Madison County Schools will have meaningful experiences and valuable academic preparation to ensure a brighter future.

Board of Education Meeting: The Board of Education met Monday, November 16th at Central Support Services for their regular scheduled meeting. The Board reviewed the latest COVID-19 updates provided by Tammy Cody, Director of the Madison County Health Department. The Board also recognized and presented a Retirement Award plaque to Mr. Daniel Metcalf for his 30 years of dedication and service to Madison County Schools. The next regular scheduled Board meeting will be on Monday, December 14, 2020 at 6:00 pm.

Farm and School Science Project: Madison Middle Schools seventh grade students are preparing to move the brand new chicken coop outside. The coop and chicken run area have been designed by the students in Mr. Calloway's and Mrs. Montgomery's science class. The students have been involved in each aspect of the farm project. Our students and teachers are Making It Happen in science class!
