BCE Students Help Local Families: Third Grade Brush Creek Bears traveled to Mars Hill Baptist Church this week. They brought 851 food items and packed meal bags that will go to local families in need. This is the 13th year Brush Creek students have participated in this special service project.

Basketball Fundraiser for Ball Family: Team Santa (MHES) played Team Grinch (Central Office Support Staff) in a basketball game on Monday as a fund raiser for Cindy Ball's family. The students had a great time watching the game and the silly antics and, thankfully, no one was injured! A special thank you to Coach Finora from MHU and Tommy Justus for officiating the game for us.

Operation Santa 2019: MHS student government worked on Operation Santa along with Mars Hill Baptist Church. They collected donations to help buy food and presents for 48 families in Madison County. Money was collected during 2nd period, at two home games, and SGA called businesses to get donations which includes Blue Ridge Funeral Home, Sandy's Hair Fashion and Gifts, Foley Realty, McDonald's and a couple more that we are waiting to collect. Madison High athletics also donated \$200. The total donation is currently \$1,646.82.

Madison County Schools

Mission

The students of Madison County Schools will have meaningful experiences and valuable academic preparation to ensure a brighter future.

Superintendent Leads by Example: On Thursday, December 12, Superintendent, Dr. Will Hoffman, ate lunch at Madison Middle School. School Nutrition staff prepared a delicious Christmas meal. Dr. Hoffman stayed to help with the dishes for all three lunches. We appreciate his leadership style!

Food Pantry Helps Community: The Madison Middle School food pantry serves the school and the surrounding community. With donations of food and money being given the school is able to provide this pantry for the students. The Manna Food Bank in Asheville also gives food. We are thankful for two community partners who help run the food pantry each week, keeping it organized and food packed for kids to take home. Our food pantry is open each day for students and it will also be open during the Christmas holiday for our school and surrounding community.

Season of Giving: Students at Hot Springs Elementary have been learning the importance of giving during the holiday season. As a way to spread joy to others, they have been spending time making holiday cards and collecting blankets. These cards and blankets will be sent to Madison Manor next week. The students are so excited to be able to bring happiness to others in their community.
