Madison County Schools Mission

The students of Madison County Schools will have meaningful experiences and valuable academic preparation to ensure a brighter future.

MHS FFA Plant Sale: The FFA members and Teachers were pleased to provide an opportunity to purchase some great plants, at discounted rates, which they hope give you beauty, hope and nourishment this spring and summer! The profit from this plant sale will be used to provide financial assistance for our Madison FFA members to maximize opportunities for traveling for competitions and leadership conferences as well as recognizing them for their efforts. They strive to make a positive difference in the lives of our students and thank you for helping them do so.

Plans for EOY Celebrations, Promotions and Graduations: We are planning end of year celebrations, promotions, and graduations. We will adhere to state and local guidelines but be sure to remember that we want to celebrate our students in the best way possible. We are working tirelessly to accomplish that. They deserve no less.
