Mission

The students of Madison County Schools will have meaningful experiences and valuable academic preparation to ensure a brighter future.

Pandemic Electronic Benefit Transfer (P-EBT):

Families impacted by school closings due to COVID-19 are beginning to receive additional food benefits as part of the new Pandemic Electronic Benefit Transfer (P-EBT) program. The program provides a food benefit on an EBT card to North Carolina families whose children have access to free and reduced lunch at school. Families will not need to apply for the P-EBT program.

Wishing everyone a happy and safe Memorial Day Holiday on Monday, May 25th.
