EdNC will feature Madison County Schools in their news article. We are excited for our students and staff to share how Madison County Schools continue Making It Happen in learning!

Madison County Schools Mission

The students of Madison County Schools will have meaningful experiences and valuable academic preparation to ensure a brighter future.

Madison Wrestlers Compete: Madison High and Madison Early College students competed in the Western Highlands Conference Tournament. Congratulations to Charlie Greer, MECHS and Kimberly Talton, MHS! Charlie came in first place for the 220-weight class, which qualifies him for state. Kimberly is the regional champion and qualified for state. Congratulations to all the Madison wrestlers and best of luck with the state competition!

Positive Student Behavior: Students at Brush Creek Elementary School are recognized for their positive behavior. Teachers nominate students to receive a "Bright Bear" student certificate if they are caught showing positive behavior. "Bright Bear" students go above and beyond their Bear Essential Skills by showing respect, responsibility, and the best character! Students are Making It Happen with positive behavior!
