## FFA National Competition:

FFA members and chaperones traveled to Indianapolis, Indiana this week for the 96<sup>th</sup> National FFA Convention and Expo. The members represented Madison FFA well in the National Quiz-Bowl contest. This event is designed to assess students' knowledge and understanding of the National FFA Organization, its history, and its structure. Congratulations to the students and teachers!

Our students are Making It Happen in FFA!

## Bright Ideas Grant:

FBEMC and North Carolina's electric cooperatives have worked to enhance education by engaging students in meaningful learning projects that encourage creative approaches since 1994. They believe in supporting teachers and their bright ideas as a vital part of their mission. We are thankful for FBEMC supporting our teachers and education. Our teachers are Making It Happen for students with "Bright Ideas"! For more information regarding the Bright Ideas Education Grant application see the link under attachments.

## Adopt-A-Highway Litter Pick-up:

Students and staff from Madison Early College High School volunteered to pick up litter as part of the Adopt-A-Highway program. The crew picked up trash and debris along the designated road in memory of Adam David Worley, former teacher at MECHS. Thank you for those volunteering your time and caring for our county roadways.
