NHSDA Host Workshop: The National Honor Society Dance Academy (NHSDA) at Madison Middle School hosted a dance workshop for students in 7th and 8th grade. Teachers included people from NC A & T, Dance Company owners and dancers from Dimensions. It was a diverse and great experience for all.

Administrators Meeting: The Administrators came together Wednesday for a review and discussion of important items. The agenda items included School Improvement Plans, the MCS Employee Handbook, the Holiday schedule, State Board updates for paid parental leave, stadium update and safety grant. Our Administrators are Making It Happen for our students!

Students Creating Ornaments: Madison High School students in Mr. McCall's class are working on ornaments, as well as other handmade Christmas crafts. This is a great opportunity to work with the equipment and the students have really enjoyed learning these skills. They are willing to make more ornaments and crafts upon request. Reach out to Mr. McCall for more information and requests for ornaments.

Madison County Schools Mission

The students of Madison County Schools will have meaningful experiences and valuable academic preparation to ensure a brighter future.

CN Serves Thanksgiving Meal: This week our child nutrition staff prepared and served a special Thanksgiving meal for the students and staff at the schools. The menu offered turkey and dressing or baked ham with all the sides and dessert. We are thankful for our child nutrition staff for working hard preparing and serving nutritious meals for our students and staff every day!

Stadium Renovation Update: The stadium renovation project is underway. The Press Box framing work and exterior siding, trim and painting are underway. The D-Zones demolition and prep work continues and is making progress.
