Madison County Schools

Mission

The students of Madison County Schools will have meaningful experiences and valuable academic preparation to ensure a brighter future.

**New VOIP System at Central Support Services:** Frontier installed the new Mitel phone system at Central Support Services this week. With the new phone system come new phone extensions. For your convenience, the new list is attached.

**MMS Cheerleaders Attend ACC Game:** On Saturday, December 1<sup>st</sup>, the MMS Cheerleaders were invited to cheer at the ACC game at Clemson University! They worked hard on their dances and routine. These young ladies represent Madison Middle School well wherever they go. Also at the middle school, students have been working with clay and making pottery in the MMS art studio classroom. Students were excited to come back after the snow days to receive their projects after being fired in the kiln.

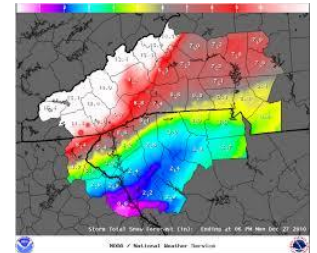

**Hot Springs Huskies Hour of Code:** Hot Springs Huskies participated in the Hour of Code last week! Huskies learned how to program and code during technology time. Students were excited and engaged during these activities. Special thanks to Heather Webb and Lisa Burlison for making this happen for our school!

**County-Wide Christmas Card:** We want to congratulate our students who participated in the County-Wide Christmas card contest. Each school submitted their winner and are as follows:

1. Brush Creek Elementary .....Sydney Wells and Kailey Ball
2. Hot Springs Elementary.....Kamilla Welch
3. Mars Hill Elementary ..... Brayden Walker
4. Madison Middle..... Sarah Hedgecock
5. Madison High .....Molly Moore
6. Madison Early College ..... Cassandra Ort

Each student's artwork is displayed on our district Christmas card. We are proud of the talent exhibited by our students.

**Winter Months in Full Swing:** Madison County Schools had a rough week of weather this week! Our students came back yesterday ready to get to work in preparation for the end of the semester. We would like to say a special thanks to our Maintenance Department and Transportation Department for the extra work they do during these winter months.

**Board of Education Meeting:** The Board of Education will meet on Monday, December 17, 2018 at Central Support Services. This will be the first meeting conducted with our new members Karen Blevins, Board Chair and Keith Ray, Board Member.
