The Board reviewed and approved personnel, the Budget Resolution for 2023-24, the Needs Based Public Capital Grant application and the first reading of Policies. The next scheduled meeting will be January 22, 2024 at Central Office. The closed session begins at 5:00 pm, work session at 5:30 pm and the open session at 6:00 pm.

School Receives Recognition: NC DPI recognized Brush Creek Elementary as a 2023 Distinguished School for Excellence in Special Population-Students with Disabilities. The Board of Education, along with Ms. Lisa Gahagan, Mrs. Marshay Huskins, and Mrs. Monica Ponder presented the banner from DPI to Ms. Susan Jackson, Principal of Brush Creek Elementary at their meeting Monday, December 11th. Congratulations to the school for Making It Happen with learning for our students!

Link to Breakfast and Lunch Menus: We've streamlined access to important information about our breakfast and lunch menus at the following link: [LINQ Connect - Menu Page](#). This initiative is part of our ongoing commitment to providing healthy and balanced meal options for our students. Explore the menus and encourage our students to make nutritious choices that fuel their bodies and minds for success.

Students Design House Plans: The high school Honors Architectural Drafting students have been working on floor plans in collaboration with the Carpentry courses. Students have designed efficient floor plans for the current Walnut Creek site as well as future homes with varying square footage.

Rotary Club Meeting: The Madison County Rotary Club held their monthly meeting at Brush Creek Elementary School. The third, fourth and fifth grade Choir students performed festive holiday songs for the group. We appreciate the Rotary Club for supporting our students and schools.
