Madison County Schools
Mission

The students of Madison County Schools will have meaningful experiences and valuable academic preparation to ensure a brighter future.

State Superintendent Visit: State Superintendent, Catherine Truitt, Dr. Jeremy Gibbs,

Regional Director, and other members of the State Board of Education visited Brush Creek Elementary School Tuesday, December 14th. We shared various initiatives taking place in our schools. Superintendent Truitt has

commented the best part of visiting schools is seeing the teachers and students, which reminds her of why we do the work we do. We are very happy to share all the great ways our teachers and students are Making It Happen with learning!

Board of Education Meeting: The Madison County Board of Education met for a regular scheduled session on Monday, December 13, 2021. The Board approved personnel, local elective in Social Studies Academic Discipline for MHS, naming the baseball field press box, contract for Architect and reinstated face covering requirement indoors for students, staff and visitors effective immediately. The next regular scheduled meeting will be Monday, January 24, 2022.

NHS Student Service: MHS National Honor Society students collect donated toys and supplies for the Operation Santa program, which benefits Madison County children and families. Thank you National Honor Society students!

MMS Dance and Theater Performance: Madison Middle School Dance and Theater students performed four different shows to parents in grades 6-8. The sixth graders performed plays they wrote themselves and two different dances. Seventh grade performed two plays purchased from Plays Magazine as well as the dance

Thriller (original choreography by the students and Mrs. Willis). The Advanced Class was able to learn about technical theater, doing both the jobs of acting out a full-length play and running the show themselves.

Holiday Arrangements: Thank you Shady Side Florist in Marshall for the donation of the beautiful poinsettia baskets for our schools and Central Office. The baskets beautifully decorate our office and foyers for the holidays.

Christmas Break: No school for students December 20 - January 3, 2022. Wishing everyone a very Merry Christmas and a Happy New Year 2022! May your heart be filled with peace and happiness throughout this holiday season!
