NCDPI Recognizes Honorary POY: The Wells Fargo North Carolina Principal of the Year program recognizes the role of the principal in establishing an environment conducive to the pursuit and achievement of academic excellence in North Carolina's schools. Madison County Schools selected Dr. David Robinson to represent the school system because of his exemplary leadership at Madison High School. The North Carolina Department of Public Instruction recognizes this achievement and expresses gratitude for the impact he had on students and staff throughout his career as an educator.

MMS Field Trip: Several of our seventh and eighth grade students and staff traveled to Washington, D.C. Tuesday on a school field trip. The group has toured many historical sites such as the Capitol, the Smithsonian museum, the Arlington cemetery and the Holocaust museum. This field trip provides students the ability to explore and gain a better understanding of the history of the United States.

Madison County Schools
Mission

The students of Madison County Schools will have meaningful experiences and valuable academic preparation to ensure a brighter future.

Spring Break: My hope is that each of you has a blessed Easter and a wonderful Spring Break, and that you have a chance to rest and relax. In the coming days take time with family and friends, recharge your batteries, so that when you return you can continue to take care of our students, who depend on you for positive relationships, focused leadership, and strong instruction. As Rosa Parks said, "Memories of our lives, of our works and deeds will continue in others."
