

Dr. Will Hoffman, Superintendent

May 12, 2023

## IN THIS ISSUE:

- CTE House Building Project
- Math 1 Boot Camp
- Senior Class Awards
- Teacher Appreciation Week
- Happy Mother's Day

**CTE House Building Project:** The Madison County Schools CTE Advisory Council

met to learn more about the Construction Trades house-building project. Students shared how the project is helping them learn and prepare for a future career. They talked about the skills they are learning and the invaluable experience they are gaining. Advisory

Council members asked questions and provided feedback to help improve the program.

**Math 1 Boot Camp:** Students at Madison Middle School and

Madison Early College High School participated in a Math 1 Boot Camp. The Boot Camp was designed to help students pass the NC Math 1 exam while also helping reduce test-taking anxiety. The teachers and students reviewed the year's content that will help

prepare the students for the End of Course testing. Thanks to Gear-Up for providing this program for our students.

**Senior Class Awards:** Madison High School and Madison Early College High

School held their senior awards programs today. Congratulations to the students for their academic achievements. Madison Early College will hold their graduation ceremony this evening at 6 pm at AB Technical Community College. Congratulations and best wishes to the graduating class of 2023!

**Teacher Appreciation Week:** Happy Teacher Appreciation Week! Teachers make

an enormous impact on the children under their care. They not only help our students to love and understand a subject, but they show them a pathway in life. We are thankful for our dedicated teachers and for the work they do to educate, mentor, advocate and inspire students to reach their goals and pursue their dreams! Our Teachers are Making It Happen for our students every day!

**Happy Mother's Day:** Sunday, May 14<sup>th</sup> is Mother's Day. We wish all Mothers a very Happy Mother's Day! The influence of a mother in the lives of her children is beyond calculation. ~ James Faust
