Doc Rob Honorary MCS Principal of the Year: Our principals voted this year for Dr. David Robinson to receive the MCS Principal of the Year award. We cherish the memory of Dr. Robinson, and there is not a day that goes by that we don't think about him, his leadership and his dedication to students. David's memory continues to challenge us with a simple question that keeps us all moving forward – "What are you going to do with the time that you are given?" We thank his wife Wanda, his mother Shelby and family members for accepting the award last night. We will post a picture of Dr. Robinson and the 2022-2023 Principal of the Year plaque in central office this year as a tribute to our friend and colleague, and to honor his legacy of leadership in our school district.
