- **Ebanie Bailey 4th place** in Job Seeking Skills (Prepared a resume and cover letter along with filling out an application and participated in an interview)
- **November Hayes 2nd place** in Extemporaneous Writing (Given a topic and 60 minutes to create an essay on the topic)
- **Jessica Metscher and Haley Ray were top 10** in CPR First Aid- (Students are tested at this level on their knowledge of the subject)
- **Brianna Cassidy top 10** in Prepared Speaking (Created a 5 minute speech on the HOSA national theme which was defining your purpose)
- **Ian Smith placed 1st** in Medical Math (Students are tested on their knowledge of conversions as well as dosage and calculation problems)
- **Gracie Sprinkle placed 3rd** in Medical Terminology (Students are tested on their knowledge of Medical Terminology)
- **Emma Gentry, Rachel Marrow and Hannah Frisbee** attended medical symposiums while at the conference. All of these students will be traveling to Charlotte NC the first week in March to compete at the state level.

I would like to thank all of the teachers that assisted these students with their papers and speeches. Your support in the success of our students is awesome. We have wonderful students here at Madison High School and it is nice to see their faces when they are recognized for all their hard work.

If you are interested in becoming a chaperone or judge at the state level in Charlotte please let me know.

Respectfully,

Kathy Mackey, RN BSN
