Mr. James McGregor

At their regular meeting on Monday, June 27, the Madison County Board of Education voted to approve Mr. **Jimmy McGregor** as the new principal of Mars Hill Elementary. Mr. McGregor comes to us from Brunswick County Schools where he served as assistant principal at Supply Elementary School. Mr. McGregor has an extensive background in elementary education in both administration and teaching at the second, third and fifth grade levels. Dr. Will Hoffman said, “Jimmy McGregor brings boundless energy and a strong understanding of elementary education to Mars Hill Elementary and Madison County Schools. We are very happy that he is now a part of the MCS team.” The selection committee was comprised of school administration, lead teachers and district level administrators and each member was impressed with Mr. McGregor’s enthusiasm, student centeredness, and “fit” for this important moment at MHES. Mr. McGregor stated, “I have always had a deep respect for Mars Hill Elementary, and I believe it is a great school with amazing staff and teachers. To me, education is more than a career, but an opportunity to ignite students and others with a desire to learn. I believe our schools need to be a safe place to grow with inspiration and excitement, and I am so very honored for the opportunity to join this family and to once again call Madison County our community.”
